Mr. Michael Williams

Mr. Williams:

This Letter responds to your Freedom of Information Act (FOIA) request submitted to the Defense Logistics Agency (DLA) on March 28, 2019 for documents relating to the Boeing Captains of Industry contract that reflect or present information for this contract that indicate the, "... scope, justification for Award and any other elements that are unique." The FOIA request was assigned control number DLA-LANDM-2019-002398.

Enclosed are the records we have in response to your request. The records are partially withheld pursuant to the FOIA, 5 U.S.C. §552(b)(4), which exempts trade secrets and commercial or financial information obtained from a person and privileged or confidential; 5 U.S.C. §552(b)(5) protects inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency and; 5 U.S.C. §552(b)(6), protects the privacy interests of employees who are at or below the directorate level or are not in the public domain, therefore, the names of individuals are withheld.

You have the right to appeal this partial denial. You have the right to seek dispute resolution services from either the Office of Government Information Services (OGIS) or DLA FOIA Public Liaison. As part of the 2007 FOIA amendments, the OGIS was created to offer mediation services. Similarly, as part of the FOIA Improvement Act of 2016, DLA established a FOIA Public Liaison to offer mediation services. Both the OGIS and the DLA Public Liaison will assist in resolving disputes between FOIA requesters and DLA as a non-exclusive alternative to appeal. Using the OGIS or the DLA FOIA Public Liaison does not affect your right to pursue an appeal, nor does it stay the appeal clock.
